**To the congregation at Barnet Brookside Methodist Church,**

On behalf of The Methodist Church I would like to thank you all for your incredible generosity. I heard recently about a donation of £1,022.37 raised at the Coffee Morning of the 17th October in aid of The World Mission Fund and I wanted to make sure we got in touch.

I want to thank you personally for choosing to give this large sum towards our World Mission. And I know this donation is not alone and so I extend an extra thank you for previous gifts towards Mission in Britain and the Easter Offering.

To put your giving in context, we heard from the Leoni's (our current Mission Partners in Rwanda) who have started a Families Empowerment Programme to help families receive a boost in starting their own finance-generating activities. £170 alone is enough to give a family a starting stock of farm animals, an initial supply staple food, a bicycle, cooking fuel, supplies for clothes trading and a sewing machine. Therefore your recent donation has the potential to empower six whole families as they try to make a sustainable living in Rwanda. I hope that example demonstrates the impact your giving can make.

Thank you again for your generous support to World Mission. To learn more about our ongoing projects and to get involved, please visit [www.methodist.org.uk/supportourwork](http://www.methodist.org.uk/supportourwork).

Yours sincerely
